#### "ENTWINED"

*"One of the reasons for having an event like this is to acknowledge how interconnected we all are and how much our lives weave in and out of each others lives . . . and to celebrate the beauty and strength of those relationships, especially in times of extreme caring for each other and with each other."*

*– friend of the Pierce family*

Proceeds will benefit the National Foundation for Cancer Research.  
Representatives from Sally's Blooming Hope &  
The Maine Cancer Foundation's Pink Tulip Project will be present.
